Apologies to those who wanted walks advertised for the 18th & 19th , but as Federation is just coming to life, a good turn-up at the S & R demonstration would help. Also it will not only be fun but you might learn something - navigating, abseiling, first aid and rescue techniques. You need only go for one day .

Search & Rescue contacts- if more than one day overdue tell someone to contact Ernie , 39 3050, Nick, 649 2178, George, 221,3515, and Al, 80 3610
