U.N.S.W. BUSHWALKING AND MOUNTAINEERING CLUB
BOOREE LOG BARB-QUE AND BUSHDANCE (MAY 1ST, 2ND)
ACCESS MAP TO DARGANS CREEK

ACCESS NOTES TO THE BOREE LOG CAMPSITE AT DARGANS CREEK

From Sydney drive up the F4 Freeway and Great Western Highway to Mt. Victoria. Turn right at the Bell turnoff opposite the post office. Follow this road towards Bell (Darling Causeway) for 6.3km to the Hartley Vale turnoff on your left.

An alternative route from Sydney is to take the Bell's Line of Road to Bell, then turning left onto the Darling Causeway and following it for 4km to the above mentioned turnoff on your right.

Drive down Hartley Pass for 2.6km until you reach the first farm on your right. Proceed through the farm entrance and 200m to the gate. Before continuing on, please notify the farmer, Eric Ogden, (or one of his family), that you are attending the Boree Log.

Pass through the gate and on for 400m to a creek. Cross it and 80m further to a Y-junction. Turn left and continue for another 200m or so until you reach another junction and a dam on your left. Continue straight ahead past a pile of junk on your right until you reach another creek.

Ford this Creek and immediately turn right up a short steep embankment onto a large flat area. 50m further on you will come across the campsite for the Booree Log. Any slight changes in location will be well marked.

The Mt. Wilson and Hartley topographic maps cover this area for those interested in walking. Anyone who is curious about the climbing will find detailed information in 'A Climbers' Guide to the Northern Hartley Valley by Andrew Penney. The maps and guide book are available in most outdoor shops.

NOTE: !

Please contact Peter Rigg (662 4919) urgently, so that catering and transport can be finalised.

THE UNIVERSITY OF NEW SOUTH WALES BUSHWALKING AND MOUNTAINEERING CLUB

19th April, 1982
