

Boree Log Semester 2 2008

Sunday climbing at Mt. Boyce and canyoning in Mt. Wilson

Sunday morning sobering

Anchored

Having a look

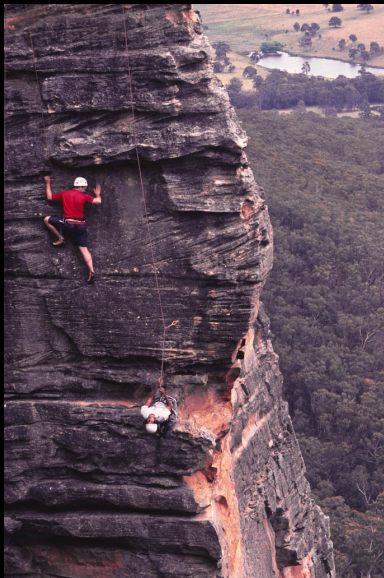

Cliff notes

Climbing

Where's Wally? (can you find all seven people?)

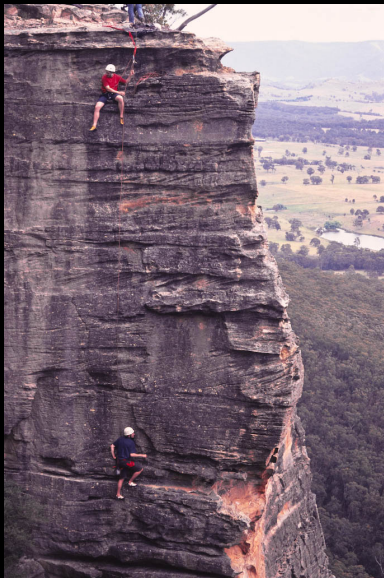

Just hangin' around

Figure four

A brief sit down

Climb like an Egyptian

Canyoning:
Whungee Whengee and Wollangambe 2
Photos by Su Li Sin

The shining

Between a rock and a forest

Life's tough going down a canyon

Fun times

Making a mess

Happy canyoners

Another successful Boree Log

The end.

Lounging around the campfire, waiting for Disco Stew
