

Rennies Tunnel and Juggler Canyon  
from “Mad Awesome Keen” weekend away  
23-24 August 2008

Entering Rennies tunnel, an abandoned mine

Holy bats man!

Finally it opens up enough to stand in, although apparently this is where it's most likely to collapse...

Ian emerges, followed by the seven dwarfs

Climbing some ladders

More ladders

Uh... we're out of ladders

The walk out

Time to set up camp

# Sunday – Juggler Canyon

All roads worth taking are made of dirt

Gear up!

Lock 'n' load

Down, down, down.

Watching from below

'Enough Rope' with your host Steven Hare

Andrew finishes the last abseil with bonus style points

Walking out of the valley

View from the top

Time to go home

Thanks to Ian Donaldson and Steven Hare for organising the trip!

The End.
